

Why should the kids have all the fun?

..after all, we are just big kids!

Eltham Redbacks FC are pleased to announce the **BIG KIDZ** men's football program.

The program is designed for anyone who just wants to have a social game of soccer.

It's just an excuse for us to have a game, some fun & develop some fitness at the same time.

We meet at 9 p.m. each Monday night at the Redbacks ground (Cedar Ave) and play until we have run out of juice.

Come down, have a game and try it out.

Look forward to seeing you on Monday nights.
